

Board of Public Works – Minutes of Meeting

BOARD OF PUBLIC WORKS  
MINUTES OF MEETING – December 13, 2011

Members Present: David Forrest, Chairman, Bill Enser, Roger Scheurer, and Monica Ryan

Others Present: Bob Nason, and Ann Dobson

Chairman Forrest called the meeting to order at 3:38 PM.

**Highway Dept.**

**Tyringham Road** – Overview of project status by Bob Nason....currently obtaining easements, 16 out of 24 are complete...Bob is working the list...

**East Side Alley** – BPW's – Who is plowing this winter? Chris Pompe got quotes to plow and salt, the DPW will do the alley this season and assess it when winter is over.....Dave Forrest suggested a quick disconnect for the Holder...will pass on to Dennis....

**Truck Driver/Laborer** – Paul Porrini is retiring March 3, 2012

**Tamarack Ave** – Dave Forrest will write a narrative on what needs to happen and get it to Chris Pompe to move it forward.

**Wastewater Department**

No discussion at this meeting

**Water Dept.**

**Ann Dobson Abatement Request** – She has a sump pump that uses water to prime the pump in lieu of electricity and it is very old...the sump pump discharges to her yard...Per Dave Forrest – Change out sump pump, this is a one time deal without practice or precedence....the BPW's voted unanimously to rebate \$1,100... from her sewer bill...this was calculated by reviewing the history of the account and subtracting the largest sewer usage from the bill in question.

**Lou Digrigoli Abatement Request** – He has a sump pump at his apartment that uses water to prime the pump in lieu of electricity and it is very old...the sump pump discharges to his yard...Per Dave Forrest – Change out sump pump, this is a one time deal without practice or precedence....the BPW's voted unanimously to rebate \$350... from his sewer bill...this was calculated by reviewing the history of the account and subtracting the largest sewer usage from the bill in question.

**Mark Pezzotini Abatement Request** – Could not find his history to calculate abatement....same as above, a sump pump that uses water to prime it....once the history is found, submit to the board to calculate abatement....keep on the agenda.
