

Broadband coming to Western and Central MA

Please Join Us!

Wednesday Nov 2, 2011

6:00pm – 7:30pm

The Massachusetts Broadband Institute, WesternMA Connect and AXIA cordially invite you to attend a regional meeting about the *MassBroadband 123* fiber-optic network coming to western and central Massachusetts

We encourage you to attend this informational meeting to learn more about this project in your community.

Topics to be discussed:

- Project update of *MassBroadband 123*
- *Community Anchor Institution connections*
- *Last Mile Strategies – Broadband to Residences*
 - *Small Business Grant Opportunities*
 - *AXIA, Network Operator update*

Berkshire South Community Center
15 Crissey Road
Great Barrington, MA 01230
Phone: 413-528-2810
