

Minutes
Lee Conservation Commission
32 Main Street Meeting Room
Wednesday March 16, 2022 7 PM

Commissioners Present: Kathy Arment, Chair; Stu Dalheim; John Philpott; John Coty, Jr.; Marilyn Hansen, Mark Navin; Ms. Thomas
Members of the Public Present: Susan Wissler, the Mount; Myrar Ritrosky, Jacob M. Elder, EGC

Miss Wissler presented. There is an inactive septic system and an unused septic structure that has unspecific oils inside. This tank will be removed and the soils around it will be tested. If there are any pipes located the soils around the tank, those soils will also be tested. Appropriate sediment controls will be used.

Motion by Mr. Philpott with a second by Ms. Arment to issue a negative #3 determination with the conditions that pictures be taken now, during and after; the erosion controls will stay in place until an inspection is made; a report of the new conditions be submitted.

VOTE: Mr. Philpott, aye; Ms. Arment, aye; Mr. Coty, aye; Mr. Dalheim, aye; Ms. Arment; Ms. Hansen, aye; Mr. Navin, aye Unanimous approval

Meeting Adjourned at 8:15 PM
