

COMPOSTING WORKSHOP

THURSDAY MAY 4, 2017, 5:30-7:00PM

LEE LIBRARY

100 MAIN ST., LEE MA

- Learn the basics of outdoor composting.
- Learn how to make food scraps and yard waste into “black gold”.
- Learn how to build an active, odorless, and efficient worm-powered compost bin for indoor use.

Presented by CET, the Center for EcoTechnology
Sponsored by the Lee Greener Gateway Committee
