

Minutes  
Lee Conservation Commission  
Lee Town Hall 32 Main Street Meeting Room  
Wednesday February 15, 2023 7:00 PM

Commissioners Present: Kathy Arment, Chair; Marilyn Hansen; Toni Thomas  
Commissioners Absent: John Philpott; John Coty; Mark Navin; Stu Dalheim; Clare Lahey, alternate  
Members of the Public Present: Kathy Hall, Lee Youth Commission

**Kathy Hall Lee Youth Commission Water build-up from the back of the pavilion  
Replacement of marble slab at the skateboard park**

**Water buildup from the back of the pavilion**

Ms. Hall is concerned about the drainage of water at the back of the pavilion. A proposed plan was presented. It was noted that this area has historically been wet. The plan suggested that before any work is done an exploratory hole 4' to 6' deep and 12" round be dug to determine the type of soil in this area. If the soil was acceptable to the project, stone would be placed at the bottom of the hole. A perforated pipe 4"-6" pipe would be placed in the center of the excavated column. Stone would be added throughout to the top of grade. A slotted cap would be placed on the perforated pipe. The Commission members were concerned about the exploratory hole as well as where the water would go as the whole area is in a flood plain. They asked that Ms. Hall research the use other gutters that could disperse the water in two directions as well as other ways of drainage. An exploratory hole is not to be dug at this time. Ms. Hall will be on the agenda for the March 1, 2023 meeting to discuss any new information.

**Replacement of marble slab at the skateboard park**

Ms. Hall presented the need for the replacement of a marble slab at the skateboard park. The slab has a chip in it and is dangerous for users. LB Corporation has offered to replace the slab this spring with another marble slab having the same dimensions as the current one. A forklift will be used for both the removal of the old slab and placement of the new one.

The three members of the commission agreed that this could be done as routine maintenance.

Ms. Arment reviewed the budget.

All correspondence has been forwarded to the Commission members.

The minutes could not be approved as a quorum was not present.

The meeting adjourned at 8:00 PM
