Continuance of Request for Determination of Applicability 2120 Cape Street Map 28 Lot 20 Installation of 2 retaining walls

Mr. Economou has decided to change his plans and build two 4' retaining walls and not 8' walls. A building permit is not needed for the 4' walls. The Commission had requested both erosion control silt fence and straw wattles be used and for pictures of these when completed be submitted to the Commission. Pictures were received by the Commission this past week.

Motion by Ms. Arment with a second by Mr. Philpott to issue a negative 2 determination.

VOTE: Ms. Arment, aye Mr. Philpott, aye Mr. Coty, aye
 Ms. Hansen, aye Mr. Navin, aye
