The Town of Lee, Fire Department, is in need of boiler replacement and associated equipment and is accepting Request for Proposal (RFP) in order to find a qualified source to provide and install new boiler and associated equipment. Our goal with the boiler replacement project is to:

- a) Replace existing boiler that is in decay.
- b) Upgrade the current heating system to be more energy efficient.
- c) Change the current steam heat to forced hot water to compliment current operating conditions.
