

Appalachian Trail Town Designation Ceremony

**Come join us for the festivities on
the designation of Lee as an
Appalachian Trail Town on Saturday,
June 17 at 11 a.m. in the Town Park.**

The Town of Lee invites you to please join us on Saturday, June 17, 2023 at 11:00 a.m. on the Lee Town Common for the Appalachian Trail Community Designation Ceremony. This AT Community Designation is being presented to the Town of Lee by the Appalachian Trail Conservancy in recognition for the town's support of Appalachian Trail conservation and in support of the valuable services and support that Lee provides to the hikers that wander the trail.

Lee now joins the towns of Great Barrington, Cheshire, Dalton, and North Adams as a designated trail community along the A.T. Lee's goal is to support thru-hikers in their journey, with all the re-supply services that Lee has to offer. Hikers come from all over the U.S and internationally to hike the A.T., and we hope when they leave our lovely New England town, they will have fond memories of the hospitality and friendships they encountered during their visit.
