Fireworks Show

It's Lee's Birthday Party!

We are planning an exciting fireworks show for a spectacular ending to our annual *Taste of Lee* event on Friday, September 15th. The *Taste of Lee* runs from 5:00-8:00 pm; the fireworks show will start at 8:00 pm and will be visible from Main Street.

This will be the highlight of our annual community birthday party and we need to raise \$6500 to cover the cost of the show presented by *Berkshire Fireworks*.

We are currently seeking additional financial support from the residents and business community of Lee. Donations of any amount will be greatly appreciated. We hope we can count on you to make this event the best one yet - *and show how proud we are of Lee and the Berkshire community!*

Thank you in advance for your contributions, we hope to see you at all of our 246th Birthday Party / Lee Founders Weekend events!
