

Request for Proposals (RFP)
Lease of Public Land for Solar Photovoltaic Systems

The Town of Lenox and the Town of Lee, MA jointly and separately seek proposals from solar energy developers to install, own, operate, and maintain solar photovoltaic energy systems at Town-owned properties including capped landfills and open space adjacent to wastewater treatment plants.

The Towns of Lenox and Lee intend, pursuant to G.L. c. 30B § 16, to select and enter into Power/Net Metering Purchase and Lease Agreements with the firm or firms providing the most advantageous proposals to each Town. All respondents must demonstrate that a member of the proposing team is certified by the Division of Capital Asset Management and Maintenance (DCAMM) as eligible to provide Energy Management or Electrical Services, and has not been debarred from bidding under G.L. c. 149 § 44C or any other applicable law.

Sealed responses are to be submitted no later than November 20, 2014 by 2:00 PM. All respondents must attend the **mandatory** pre-proposal conference to be held at the Lee Town Hall, 32 Main Street, Lee, MA 01238 on October 27, 2014 at 1:00 PM. The Towns of Lenox and Lee reserve the right to reject any and all proposals in whole or in part, and to waive irregularities and informalities, when in their sole discretion it is deemed to be in the best interest of either or both Towns and to the extent permitted by law.
