Recreational Marijuana Bylaw/Public Hearing

This was a continuation of a public hearing that was held on March 26th to adopt a Recreational Marijuana Bylaw. The Board reviewed a new draft of the bylaw. There were several minor changes such as the addition of a section for a marijuana transporter. The marijuana establishment includes marijuana cultivator, cooperative, product manufacturer, retailer, independent testing laboratory, research facility and transporter. The town would be allowed to issue 2 licenses for each use for a total of 14 licenses. Matt requested additional information as to what changes Chris Gruba, BRPC made to the draft to jive with the state regulations. The Board would like a response from him on what was changed at the next meeting.

Peg motion to continue this public hearing on April 9th at 6:00 P.M. This motion was seconded by Matt and was unanimously approved, 4-0.

Meeting adjourned at 8:30 P.M.

Respectfully submitted,

Jaimy Messana
Land Use Administrative Assistant
