

# Compost Pails for Sale

\$4.00 (Lee residents only)

- Superior latch / closure - one handed single motion open and close with audible latch feedback.
- Positive stop (90 degrees) lid - durable moulded stop points allow lid to stay open and open flush to the rear.
- Rim and lid easy to clean - smooth top edge and removable lid allows easy cleaning in dishwasher or sink.
- Letterbox style opening - wide top opening facilitates easy scraping of food scraps into the container.
- Multiple means to carry - can be transported using the folding handle, under the lip grip or back grip.
- Shape / Smaller footprint - well suited for corner placement and lid can be opened under most upper cabinets.
- Multiple means to grip when emptying - smooth top edge and removable lid allows easy cleaning in dishwasher or sink.
- Quick release lid - interlocking seal and superior lid clasp ensure positive lid closure - fruit flies stay out!
- Feet - four feet lift the container off the counter surface for increased hygiene.
- Ventilated Lid.
