Complaints re the Merrell Inn Property. Complaints were issued to DEP. The Commission checked into them and, as of now, all work is in compliance with the Order of Conditions. The bank is looking good; the only thing that hasn't been done yet is the planting of the trees. The permit issued allows them 3 years to do the work in the Order of Conditions.

Bauman's at 100 Church Street. They came last meeting about a drainage issue on their property. There is nothing in the jurisdiction of the Commission. The Commission will be in touch with them.

An email was received from Thomas Touponce about the rocks in the flood plain. He stated that these had been removed. The Commission will do a site visit.

Motion to adjourn the meeting at 8:00 PM made and seconded. Unanimous approval.

Respectfully submitted:
