

**Helping people understand the basics of disposal and sustainable options.**

**The Reduce, Reuse, Recycle Guide** printed by the Berkshire Eagle in November 2023 is sponsored by the Springfield Materials Recycling Facility, but the information inside will be useful for **ALL BERKSHIRE residents**, whether or not your municipality brings material to the Springfield MRF.

Inside, readers will find:

- Information about the latest Massachusetts waste reduction efforts and trends
- an A-to-Z disposal guide
- and a chart listing all the municipal recycling programs in the County

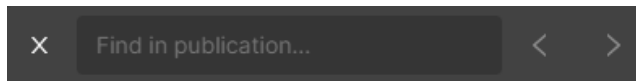

The information in the Guide will be valid and useful for some time, so **we encourage people to hang on to it to use a reference throughout the year.**

**Access the guide here:** [https://issuu.com/newenglandnewspapers/docs/reduce\\_reuse\\_recycle\\_2023](https://issuu.com/newenglandnewspapers/docs/reduce_reuse_recycle_2023)

If you want to search for an item, follow the instructions below:

1. After opening the above guide, click on the  icon at the right-hand bottom of the screen next to the download  button.

When box opens, this will appear

Type the item in the box you wish to look up; example, “glasses” and then the “enter” key and it will bring up your item.
