

# A LEARNING EVENT at the Lee Library

Saturday, January 27, 11 am - 1 pm  
J. Peter Scolforo Gallery/Meeting Room

## Expert Panel Discussion

### IMPROVING RESIDENTIAL AND BUSINESS ENERGY EFFICIENCY AS A NECESSARY CLIMATE CHANGE SOLUTION

Stephen Cowell helped to create and build the U.S. residential energy efficiency industry, including MASS SAVE. He works as a Senior Consultant for the Northeast Energy Efficiency and Electrification Council and is involved in the implementation of the clean energy provisions of The Inflation Reduction Act.

Sherdyl Fernandez-Aubert is an energy and environmental planner with Berkshire Regional Planning Commission. He assists communities and businesses in the Berkshires to be more sustainable and resilient specializing in clean energy.

**FREE** and open to anyone interested in learning more about how to make homes and businesses more energy efficient and to save on energy costs. **A sign-up sheet for an energy audit will be available** as well as information on Mass Save incentives for 2024.

You can also check out an energy audit online at:

<https://www.masssave.com/en/residential/programs-and-services/home-energy-assessments>

Keep an  out for our next Learning Day Presentation  
Saturday, February 24, 2024 11 am-1 pm Composting with  
Mary Stucklen and Linda Cysz (co-sponsored by the Lee Land Trust)

Sponsored by the Lee Greener Gateway Committee
