GENERAL REFERENCES

Sewer Department — See Ch. 235.

§ 168-1. Sewer Department created.

Pursuant to Chapter 303, Acts of 1945, a Sewer Department is created.

§ 168-2. Permit required for habitable structures.

No person shall construct any building to be used as a dwelling nor alter nor add to any building to create additional tenements or apartments nor move any building or trailer into the Town which is to be used as a dwelling without first obtaining from the Board of Selectmen a permit, the reverse side of which shall state the Board of Health regulations pertaining to sewage disposal. The permit will not be granted or may be rescinded if it appears at any time that provisions have not been made to comply with the Board of Health regulations.
