QUESTION 1 – NON-BINDING - Shall the town require the Select Board to rescind the town of Lee's approval of the Rest of River Agreement?

YES ☐

NO ☐

QUESTION 2 – BINDING - Shall an act passed by the General Court entitled 'An Act establishing an open town meeting in the town of Lee' be accepted by the town?

SUMMARY

The special act is the result of a citizens' petition at the 2021 Annual Town Meeting to repeal existing legislation governing the Town of Lee's town meeting format and replace it with open town meetings. Currently, the Town of Lee operates as a Representative Town Meeting form of government, with membership consisting of nine (9) members from six (6) districts, for a total of fifty-four (54) potential district representatives, depending on vacancies. Additionally, there are currently at large members of the town meeting, namely, the moderator, town clerk, the board of selectmen, chairperson of the finance committee and any member of the Massachusetts state legislature who is a registered voter of the town. Under the current town meeting form of government, only representatives and at large members can act on and vote on articles before the town meeting. The Special Act would change the Town of Lee's representative form of government to open town meetings. In an open town meeting, any registered voter is a legislator at annual and special town meetings. In an open town meeting, any registered voter may act on articles before the town meeting and vote at annual and special town meetings.

YES ☐

NO ☐

QUESTION 3 – BINDING – Shall the town permanently revoke its prior acceptance of Massachusetts General Law Chapter 40 Section 39M, which created a Water Infrastructure Surcharge on real property taxes; the revocation was approved unanimously by town meeting on October 1, 2020?
