V. A Closer Look – Berkshire Taconic Community Foundation’s Study of Pressing Needs in Its Four-County Region (7:30-8:00)

Peter Taylor, President of the Berkshire Taconic Community Foundation, will present BTCF’s report: “A Closer Look.” In preparing this report, BTCF wanted to gather a set of data and have a series of deliberate discussions to hear directly from a diverse range of residents. They wanted to know from their perspectives what is most important for improving lives, what challenges they face and what is keeping them in — or causing them to consider leaving — this extraordinary region. Working with a research partner, BTCF held a dozen focus groups, launched four online surveys and reviewed existing data and reports. “A Closer Look” results from that process.
