The above named Company is here-by authorized to discharge septic tank waste at the Lee Water Pollution Control Plant. Septic waste is accepted only from tanks located within Berkshire County, MA and subject to the following:

Permission to discharge is granted on a daily basis at the discretion of the Plant Operators.

Drivers of discharge vehicles are required to register with plant personnel, prior to discharge of waste.

The discharge company shall provide all hoses necessary for discharging waste and is responsible for cleaning up and removing any waste discharged to the grounds.

Waste discharge is limited between the hours of 7:00 AM – 2:00 PM – Monday thru Fridays, Holidays excluded.

A daily maximum for waste discharged shall be established at the discretion of Plant Operators.

A dumping fee of \$100.00 per 1000 gallons or part thereof shall be paid:

Monthly upon receipt of bill from the Town of Lee, accounts more than 30 days past due will result in denial of dumping privileges.

This permit may be suspended, canceled or revoked by the Town of Lee when deemed necessary to safe-guard plant operations or due to disregard to established policies.
